DigiSoft Privacy Policy DigiSoft values the privacy and trust of its users. This policy explains how we collect, use, and protect personal information. 1. Data Collection We collect personal details (name, email, billing info), technical information (IP address, device type), and usage data (features accessed, session duration). 2. Cookies and Tracking DigiSoft uses cookies for authentication, personalization, and analytics. Users can disable cookies through their browser settings, but some features may not function properly. 3. Data Usage Collected data helps us provide services, improve user experience, and support product development. We may also use anonymized data for analytics and research. 4. Data Sharing DigiSoft does not sell personal data. Limited sharing occurs with trusted service providers (e.g., payment processors, cloud hosting partners). 5. User Rights In compliance with GDPR and CCPA, users may request data access, correction, or deletion. Requests are handled within 30 days. 6. Security Measures All sensitive data is encrypted in transit (TLS 1.3) and at rest (AES-256). Regular security audits are conducted to maintain compliance.
